CALLING ATTENTION TO MATTERS OF URGENT PUBLIC IMPORTANCE.

(i) *re : Hardship caused to the people due to Scarcity of water in Davanagere Taluk.*

SMT. NAGAMMA KESHAVA MURTHY (Mayakonda).—Sir, I call the attention of the Minister for Rural Development and Panchayati Raj to the hardship caused to the people due to scarcity of water in Davanagere Taluk.

SHRI K. PRABHAKAR (Minister for Rural Development and Panchayati Raj).—I beg to state as follows :

The Block Development Officer, Davanagere, has intimated that there are 154 villages in Davanagere Taluk, and all the villages have been provided with open draw wells, except in the case of one village by name Anaji Giriya-pura. Open draw well could not be provided to this village as it is a newly shifted village from the tank bed area of the Anaji Tank, as the original gramatana was submerged in the tank bed area of Anaji Tank. It is stated that at present there is no scarcity of drinking water in rural areas of Davanagere Taluk, except in three difficult villages where there is some insufficiency of drinking water. These villages are (i) Ballur; (2) Anaji Giriya-pura and (3) Kereyagalahally. In order to solve the drinking water problem in these villages permanently, it is stated that National Rural Water Supply Schemes will have to be extended to these villages. However, the position regarding drinking water in these villages is indicated below :
